

10193 - Field Service Engineer, Exeter

[Apply Now](#)

Company: Veolia Water Technologies & Solutions (UK) Limited

Location: United Kingdom

Category: architecture-and-engineering

Are you an experienced Service Engineer?

Can you work around Exeter and the surrounding area?

Are you a great team player with strong analysis skills?

You could be just what we're looking for!

Operations Analyst / Site Service Engineer - Exeter and surrounding area.

In this role, you will be working alongside a team to ensure each site is running smoothly on a day-to-day basis.

Duties will include:

Servicing, recommending changes, reporting and communicating treatment performance in line with the customer's needs and policies.

Complete Legionella sampling

Identifying opportunities for upgrades - whether this is chemical dosing equipment (Chemfeed), training, analytical services or increased scope of supply.

Ensuring the service plan is defined and delivered

Finding, fixing or seeking solutions for any problems encountered.

Assisting with projects, from surveying to completion.

Engaging with safe chemical delivery & storage procedures.

Calibrating personal & onsite equipment and generating certificates.

Conducting routine maintenance of technology & equipment.

Operating dosing pumps and changing dosing rates based on test results

Independently diagnosing issues found onsite and escalating or rectifying as required.

Our ideal candidate will:

Come from either a chemical analysis or service engineer background

Have a Chemistry/Chemical Engineering background or equivalent scientific qualification.

Hold a valid UK driving licence

Be organised and have great communication & interpersonal skills

What are the benefits?

At Veolia, we know that at certain crucial moments in life, we all need a little help, protection and support.

That's why we are proud to offer our innovative Veolia Cares program, which demonstrates our commitment to our employees.

From the very first day of employment, this commitment is reflected in an array of benefits that is generous, and relevant.

These include:

Health & Welfare

Holiday allowance 26 days plus Bank Holidays with the option to buy or sell additional days off

Private Healthcare - currently BUPA, with an option to add your family members

Dental Plan providing cover or monetary cash back on appointments and treatments

Enhanced Maternity / Primary Care pay of 13 weeks full pay from Day 1, increasing with time served

Enhanced Paternity / Secondary Care pay of 2 weeks full pay from Day 1

Adoption Leave of 13 weeks full pay for Parental, and 2 weeks full Co-parental pay from day 1 of employment

Support for Carers offering flexibility for longer term caring needs such as considering options of remote work, flexible work hours, adjusted schedules, and paid or unpaid leave

A Lifestyle Account where we put in £60 to start you off, then match you £ for £ on every activity you buy up to £360

Discounted Gym Memberships

All employees receive one day of paid volunteering leave per year

Monetary Benefits

Leading pension contribution of 10% of your earnings from us every month, doubling your own contribution of 5%

Option to buy shares at preferential rates

Salary Sacrifice Schemes

Company Car with a fuel card that includes EV charging.

The Bigger Picture - protecting you and your loved ones in the longer term

Industry leading Life Insurance providing you 10 x your salary as a benefit paid to your nominated person(s)

Income Protection that covers you for 5 years at up to 60% of your salary, with 2 x your salary as a lump sum should you be unable to return to work

About Us

Veolia Water Technologies & Solutions is an industry leader in solving the world's most pressing water reuse, industrial, irrigation, municipal, and drinking water needs.

Through desalination, advanced membrane, separation solutions, and water reuse and wastewater management and process technologies, we deliver added value to every customer.

Veolia WTS provides value by improving performance and product quality, reducing operating costs, and extending equipment life through a broad range of products and services that are designed to optimise total performance; protect customers' assets; prevent fouling and scaling; and safeguard the environment through water conservation and energy reduction.

We are a great work environment, providing consistent professional development, challenging careers, and competitive compensation.

Veolia is an Equal Opportunities Employer.
