Dumfries and Galloway Royal Infirmary

We have a unique opportunity for a pharmacist to join our enthusiastic, innovative and supportive pharmacy team at Dumfries and Galloway Royal Infirmary. This specialist pharmacist post would ideally suit a pharmacist with some hospital or clinical experience to gain further experience within medical specialities including our acute medicine receiving unit. The successful candidate will provide full time clinical pharmacy support on a rotational basis to acute receiving, care of the elderly, respiratory, rehab, cardiology, endocrine, infectious diseases, renal and gastroenterology and cover our acute medical receiving ward one weekend in 6 (8am 3.30pm Saturday and Sunday).

We have a technician led/pharmacist light dispensary with a requirement to support the dispensary 2 hours per week.

You will work closely with the multi-disciplinary teams on the wards and team pharmacy where we are working hard to consider skill mix within the teams in all the activities we undertake. You will be supported on site by a team of senior pharmacists and will be supported to undertake your prescribing qualification if not already completed.

You will be based in Dumfries and Galloway Royal Infirmary, in a rural location in beautiful south west Scotland with easy access to Northern Ireland and the Scottish central belt.

Dumfries and Galloway Royal Infirmary supports electronic prescribing (HEPMA) and robotics, and team pharmacy work closely with both community and primary care pharmacist teams.

The post holder will be welcomed to team pharmacy where we are working hard to consider the skill mix in all of our activities and to continually develop our services.

The post includes supporting team pharmacy NHS Dumfries and Galloway to deliver seven day working/bank holiday working and on-call.

ADDITIONAL INFORMATION FOR CANDIDATES

To find out more about working with NHS Dumfries and Galloway and for an insight into our friendly, beautiful corner of Scotland please visit our Work With Us web pages

NHS Scotland is reducing their full-time working week from 37.5 to 37 hours per week for NHS Agenda for Change workers in Scotland from 1 April 2024 but with no change in pay. This reduction will also be applied pro rata for part time staff. This advert and any subsequent offer/contract of employment therefore reflects the new working hours. However, as not all service areas will be able to adopt the 37 hour working week immediately from 1 April 2024, you may be required to work up to an additional 30 minutes per week for a temporary period, for which you would be paid, until the service you are working in changes rosters or working patterns to accommodate the new reduced working week.
