Company: NHS Lothian

Location: United Kingdom

Category: other-general

Fixed term 1 year

NHS Scotland is committed to encouraging equality and diversity among our workforce and eliminating unlawful discrimination. The aim is for our workforce to be truly representative and for each employee to feel respected and able to give their best. To this end, NHS Scotland welcomes applications from all sections of society.

The Dementia Link Worker will initially be based in the Older People's Acute Mental Health Day Services (OPADS) in West Lothian and will be part of the range of services attached to the OPCMHT. The Dementia Link Worker will deliver a minimum of one year's Post Diagnostic Support to people newly diagnosed with dementia and will enhance the support already available from the Older People's Acute Mental Health Day Services, Community Psychiatric Nursing Team and the Dementia Advisor. The Worker will provide advice, information and support to people with dementia and their carers who are in the process of, or have been diagnosed with dementia. The worker will be using the 5 Pillar Model of Post Diagnostic Support.
