Company: Frasia Wright Associates

Location: United Kingdom

Category: other-general

This successful international law firm is currently recruiting an experienced Environmental Lawyer to join its Environment & Sustainability team in Edinburgh or Glasgow. The team represent a wide variety of clients across a range of sectors.

You will advise on the full range of environmental legal issues including contentious and transactional projects as well as managing complex cases across a broad range of sectors.

The ideal candidate should have at least 7 years' environmental PQE gained at an appropriate level. You will be able to build and maintain strong client relationships, have experience in supporting and developing junior team members and have the ability to operate in a team-based environment, working with colleagues across the firm.

This is an exciting opportunity to join a firm offering a supportive environment where you will be valued and encouraged to fulfil your potential. This role is offered on a full and part-time basis.
