Jet2.com has been named as **Which? Recommended Provider for 2024**, becoming the only UK airline to be given this prestigious status once again. Our track record of achieving recognition from the consumer champion means that we are named as a **Which? Recommended Provider** in every single category possible.

With sustained growth and consistent delivery of an award-winning product, now is a great time to join **Jet2.com** as a **A320 Type Rated First Officer**. With over **100 new Airbus A320 Aircraft** due for delivery in the next few years, we offer an unrivalled opportunity to take advantage of the Base options and additional career progression this brings with it.

Jet2.com is proud to offer highly competitive **Pilot pay and benefits** – our Pilots have been awarded several pay rises which, when compounded from 2022, equate to over **24% salary increase**. We also nurture the aspirations of our Pilots through **merit-based career progression opportunities**. Frequent opportunities are available to take on additional roles in **Training, Safety, Technical areas, and people management**. Your application is decided on suitability and not seniority.

We believe that a successful career should be complemented by a **fulfilling lifestyle**. We have a great working partnership across Flight Operations, with dedicated management in each base, complemented by a proactive Crew Development team working to bring you the lifestyle and benefits you need. We strive to make continuous improvements to Pilot

lifestyle and value the input of all our Flight Deck Colleagues – indeed over 95% contributed to our most recent lifestyle survey.

Successful candidates will possess a **valid UK issued Pilots Licence** with minimum **ELP Level 5 and current Class One Medical**. You must also hold a current **A320/1 Type Rating** with experience on type. Please see our careers website for further information if you hold and EASA or alternative licence.
