

Account Director - PR & Communications

[Apply Now](#)

Company: RSK Group

Location: United Kingdom

Category: other-general

Copper Consultancy, part of RSK Group, are looking for an ambitious Account Director of PR & Communications, to join their Infrastructure Practice. This is a permanent, full time role. We welcome applications from England, Wales and Scotland as this is a newly created role due to rapid growth across the UK.

Copper is an ambitious, expert, friendly and creative communications consultancy, operating across the infrastructure and built environment industries. The business provides a range of expert consultancy and communications services to balance the commercial and development needs of both communities and clients, thereby helping to ensure the delivery of impactful and relevant projects that offer maximum societal and economic benefit.

Key Responsibilities

Responsible for the profitability and productivity of a portfolio of client accounts / projects within your specific practice area

Responsible for development and execution of account strategy in relation to your client / project portfolio

Overall commercial ownership for portfolio of accounts, including responsibility for short and long term forecast management

Ability to take a minimum three-month look ahead revenue perspective in relation to your portfolio accounts and make decisions and provide advice in this context

Line management responsibility for junior employees, which includes day to day

workload planning, allocation and monitoring, ownership of the PDR process relating to direct reports, management of any performance issues (with support from HR where required)

Responsible for effective management of team performance on accounts and projects to ensure productive and profitable service delivery in line with client expectations

Person Specification

Entrepreneurial consultancy skillset with the ability to think strategically and to balance delivery and attention to detail with innovation and achievement

A passion for the development and infrastructure sector with an extensive track record of developing and delivering communication, consultation and engagement strategies for infrastructure and major projects

Knowledge of the legislation, policy and guidance relating to pre-application consultation for NSIPs and for TCPA planning applications

Experience of developing and leading the delivery of pre-application consultation (statutory and non-statutory) for an NSIP including managing the Statement of Community Consultation process

Managing consultation feedback and analysis and preparing a statutory Consultation Report for a Development Consent Order application

Experience of choreographing an examination in public for an NSIP an advantage

Salary and Benefits

Competitive Salary

Life assurance

A flexible benefits programme including the option to buy additional holidays, health cash plan and discounted gym membership

RSK Group is an Equal Opportunities Employer
