Accountant - £40.000 - £50.000 - Newbury - Permanent - Office based I am currently working with a strong business who are looking to recruit an Accountant on a permanent basis. The successful candidate will have all round finance experience. Key duties: Producing cost estimates with a strong and detailed understanding of our approved costings/margin templates & profit/loss models in Excel. Provide support with Purchase Orders & Invoicing. Liaison with our Accounts Receivable & Payable teams to process PO, invoices and support with query/issue resolution. Develop weekly, monthly, quarterly to annual, internal financial reporting, reconciliation and related budget, spend, P&L analysis for the Management Team. Knowledge of SAP/Sage Financial Accounting modules, linked to finance operations, management accounting and weekly to monthly internal financial reporting. Development of Pricing & Estimates to approved company contractual and financial (cost/margin) templates held in Excel. This will cover multiple customer & contract/order costings vs different materials types and recycling requirements - so experience working on pricing/estimates for varied product and service lines is a must have. Financial Data Analysis & Management - will involve working on internal Excel spreadsheets/templates and Excel, SAP & Sage Financial Accounting modules. Purchase Order & Invoicing Support - experience developing POs and input into customer invoicing, internal query handling and resolution. Liaison with Accounts Receivable & Payable - understanding of and ability to work with our broader Finance team on invoicing (as above) plus input into general company financial management, billing/operational spend tracking, P&L reporting & internal monthly to annual financial reconciliation. What you will need to be successful: 2+ years' experience in a
