Company: Blayze Group

Location: London Area

Category: other-general

Accounts Assistant – Central London – Hybrid role  
SALARY TO £35,000 pa plus discretionary bonus + study support  
Blayze Group are excited to partner with a boutique Real Estate Investment House, based in Central London, that focuses on two primary investment strategies:  
The design and delivery of new mixed-use communities for people to live, work and play - largely based in city centres  
The promotion and delivery of new settlements whilst working with local authorities, land owners and communities. The role will cover all the fundamentals of the finance function, plus broad administrative duties. This role will also develop for the right individual into a more specialist finance role, with study support for the AAT, CIMA or ACCA qualification. This is a fantastic opportunity to join a well-established team with the opportunity to develop and enhance your skills and experience and career progression within the business is a real possibility.  
The Essentials: AAT, CIMA, ACCA studier  
Strong and broad junior finance experience  
A levels above C
