We're on the hunt for genuinely caring, hands-on Activities Coordinators with a passion for enhancing the quality of life of the people we support through the planning and delivery of meaningful, engaging activities that promote growth and develop new skills. Our Activities Coordinators work closely with our care colleagues to support a fantastic group of people!

Our residential service in Rochester is a welcoming and friendly environment and you can be sure that no two days will be the same!

Our Activity Coordinators don't simply organise activities, they craft experiences for the people we support with meaning and purpose ensuring that therapeutic opportunities are open and available to all. You could be organising events and activities within the service, or you could be planning activities that enable the people we support to access their local communities in meaningful ways. Choice will be at the heart of your planning, and you will work closely with the people we support, the service manager and our colleagues to ensure that the experiences you create are both unique and tailored to individual needs. You'll accurately record and report on the activities that you offer and the session engagement to ensure we are constantly meeting the needs of the people we support.

This is an amazing role for someone who is looking to really make a difference to someone's life and to help them grow in confidence and independence so that they meet their goals, have fun and enjoy experiences like no other.

Why choose us?

We embrace people's differences and encourage you to Be You, and so long as you've got the passion to make someone's life better, we can give you all the skills and development opportunities you need to build a great career.

We encourage our staff to Grow Together through our excellent training programme, starting at induction and following you through your career, with opportunity for promotion and progression as well as job security in a sector leading organisation.

We have a fantastic range of benefits for our staff and we offer sector leading career progression, so don't hesitate to apply today and make a real difference to the lives of the people we're supporting!

All applicants and subsequent job offers will be subject to satisfactory DBS checks and references.
