Company: HC One

Location: Castletown

In your role as an Activities Coordinator at Northview Lodge, Kindness will be at the core of everything you do. It touches upon every aspect of our Dementia, Nursing, Residential and Specialist care homes. Every single person who works at Northview Lodge understands that our Residents are people just like them with their own stories to tell. By joining HC-One you'll have a wonderful opportunity to give something back to those people.

As an Activities Coordinator this will mean planning and implementing the kinds of activities that will delight our Residents. Not to mention helping the Home Manager to organise essential fundraising events. And, whether you're giving our Residents the confidence to socialise more effectively, working on a new activity idea based on Residents' hobbies, or getting the rest of the care home team involved - you'll do so with a sense of kindness above all else.

Northview Lodge are looking for someone with a background working with vulnerable individuals, ideally developing activity programmes. Beyond that, it's all about your brilliant, positive energy and natural ability to get along with people. You'll have great planning, organisational and IT skills and be able to manage your time effectively. And, whenever you communicate with a Resident or co-worker, you'll be truly considerate and kind.

Safeguarding is everyone's responsibility and therefore it is important that you are able to recognise the signs which may indicate possible abuse, harm or neglect in its different forms and know what to do if there are any concerns. All colleagues are required to attend

safeguarding training appropriate to their role and to undertake additional training in associated areas. You also have the ability to seek appropriate advice and report concerns, including escalation if action is not taken.

Northview Lodge will provide full training, so it's a great opportunity to learn something new. In return, you will enjoy access to a huge variety of benefits and services to support your physical and psychological well-being and throughout your career as an Activities Coordinator we will invest in you, and you will enjoy additional support and benefits including:
