The successful candidate will:

Be experienced in working with residents living with dementia

Have a genuine interest in our residents

Have good communication and interpersonal skills

Work effectively as part of the Activities Team

Have the ability to motivate people to participate

Have good organisational skills

Have good time management and the ability to schedule and plan ahead

Build self-esteem

Keep up to date and informed about new activities

The role and responsibilities include the following, although this is not a definitive list:

To assist in organising and coordinating activities that are tailored to the needs and abilities of individuals, as well as group activities that will bring individuals together. These would include themed events based on local holidays and traditions

Booking external suppliers to provide entertainment

Organising trips out in the local community, considering transport arrangements and accessibility

To contribute to the planning of a varied and stimulating activity programme to enhance the quality of life for each resident within the Home

Maintain written records of resident participation and regularly review resident needs

Maintain a portfolio of information, including the range of activities available within the Home and the local community

Participate in fundraising events as required.

General:

To attend and participate in staff meetings

Complete all mandatory training and other training identified to develop skills

To communicate effectively with other staff, relatives, and visitors including professional agencies

To practice and promote safe working practices within the Home

This position is subject to two acceptable references and an enhanced DBS Disclosure, the cost of which will be met by the successful applicant.

We would love to hear from you.
