What sets apart our Activity Instructor / Group Leaders is their enthusiasm, their willingness to learn and their energy. You might be helping kids overcome their fears in the morning, guiding them to solve initiative puzzles in the afternoon, and then singing around the camp fire in the evening. It is a million miles away from the suited and booted 9 to 5. It's exciting. It's life changing. It's fun. However, it's also challenging, it's a position of responsibility, it's sometimes tiring, and it can be hectic. But the reason that the Activity Instructor / Group Leader role is the most popular with PGL – it's worth it!
