We are looking for Activity Leader Apprentices to work as part of a team delivering a fantastic guest journey at our AALA Accredited Hatfield Outdoor Activity Centre.

As an Activity Leader Apprentice, you will need to enjoy working outdoors. Delivering multi-activity sessions to a variety of groups including children and adults, with activities taking place on both land and water. This could be axe throwing, Aquapark, canoeing or many other activities.

We are looking for people with enthusiasm, good people skills and a can-do attitude along with a mature and responsible attitude as you will also be responsible for our customers safety while they are enjoying the activities. You will need to be a strong swimmer as you'll complete a nationally accredited Pool Lifeguard Qualification.

In addition, if you have experience of climbing, paddle-boarding or other outdoor activities that would be great, but if you haven't, we can train you to be able to deliver these activities, if you have the desire to take part and succeed. The role is diverse and as well as assisting with group leading you could find yourself delivering Aqua Park activity, manning the outdoor pool, co-ordinating boat hire and supporting the wider park at peak times.

Successful applicants will have the ability to be flexible and to exhibit professional and a welcoming approach in all activities and customers. You will be conscientious and demonstrate a pro-active approach to yours and other's health and safety.

You will also work at The Dome or other DCLT sites in the winter months when Hatfield is closed. At The Dome you'll work on the Lagoons, Ice-Caps and also on HAF camps and other activities.

In return we will provide uniforms, and as a member of the DCLT team, you will have access benefits including the free use of DCLT leisure facilities across the Doncaster area.

We also provide career paths for those that want to continue working in the leisure industry.
