Advanced Machine Operator, Straight Day Working, Cutting Edge Technology

Due to expansion we are seeking to recruit a Advanced Machine Operator to join our team.

Benefits:

In return for your skills and experience, we offer:-

- \* Annual Salary in the Region of £40,000
- \* Day Working
- \* Paid Overtime at Premium Rates
- \* Enhanced Company Pension (with above average company contribution)
- \* Tax Efficient Company Car Option
- \* Straight Day Working (Mon – Fri)

\* Free Onsite Parking

\* GENUINE Ongoing Training & Career Development

#### Duties of an Advanced Machine Operator

\* As a proven Machine Operator, you will be required to operate our complex production plant, alongside undertaking preventive and first line maintenance activities.

#### Requirements of an Advanced Machine Operator

\* You must have experience of operating complex production equipment where you have undertaken basic maintenance checks.

\* Alongside your experience you will ideally be apprentice trained but **MUST** be qualified Electrically and ideally have an understanding of Plc Controls and Robot technology.

This is a great opportunity to move your career into a stable market sector, where you will not only gain an incredible benefits package and ongoing training and development, but also be secure in the knowledge that you will be in a stable working environment supporting some of the most cutting edge equipment in the region.

The Advanced Machine Operator role is commutable from Bedworth, Coventry, Dunchurch, Hinckley, Kenilworth, Leamington Spa & Rugby

Please Note: Candidates must have the right to live and work in the UK.

Our aim is to help you secure the best possible future for yourself & this is a totally **FREE** service to all our Candidates.

If you believe that your skills and experience match what we are looking for please call me or **APPLY** and I will be in touch.

Should you want to learn more about any of our MANUFACTURING & PRODUCTION vacancies, or should you just want to discuss your particular needs, then please do not hesitate to contact me to have an informal, confidential chat.

Probe Technical Recruitment, providing Manufacturing & Production Recruitment Support since 1994
