Company: STS Technical Services

Location: United Kingdom

Category: other-general

is hiring **Aircraft Mechanics** in **Castle Donnington, East Midlands, United Kingdom.**

Position Summary:

STS Aviation Services are looking to recruit a B1 Mechanic on a Contract basis until the end of November, based at our East Midlands Line station. This is an exciting time to join the STS Aviation Services business and be part of our growing line station operations. The successful candidate will undertake Line Maintenance activities at the station ensuring that all Part 145 maintenance requirements are carried out in accordance with the Line Maintenance processes and procedures.

Duties & Responsibilities

Carry out and certify aircraft maintenance within the limitations of their company approvals

Ensure all scheduled and unscheduled maintenance requirements are accomplished

Using customer and company processes, order spares to meet work requirements, complete associated paperwork for unserviceable components and record all maintenance activity performed with accurate man-hour bookings

Support adhoc AOG requirements

Ensuring the required aircraft maintenance activity is performed in a timely and efficient manner

Defect rectification on inbound aircraft

Meet and greet inbound aircraft and de brief the crew

Carry out engineering dispatch of all aircraft as required

Carry out maintenance tasks allocated with minimal supervision

Maintain a high standard of work in all tasks

Ensure all required documentation is completed

Comply with all company procedures, policies, regulations and MOE

Maintain a safe and clean working environment

Ensure all work undertaken is in line with Health & Safety and COSHH regulations

Skills and Experience

Preferred previous Line Maintenance experience

Minimum of 3 years' experience as an aircraft mechanic

Must be able to work in a dynamic environment and be flexible to meet changing working requirements

Excellent interpersonal skills

Organisational skills

Good communication skills

Full UK Driving licence Essential

Knowledge of MS Office applications

About STS Aviation Services:
