

Aluminium Estimator

[Apply Now](#)

Company: Chase Taylor Recruitment Ltd

Location: Preston

Category: construction-and-extraction

Chase Taylor Recruitment are currently working with a well-established high-end window and door installer based in Lancashire.

Our client, a large and successful fenestration business who manufacture and install, windows, doors, porches and conservatories for over 35 years. They are known for their excellent products and outstanding customer/client experience.

They are looking to recruit an experienced window and door estimator who has estimated aluminium windows and doors. The right candidate will have experience using Logikal software.

The role:

- * Liaising with customers/clients to understand requirements and manage expectations
- * Advising and supporting customer/clients with specification and compliance queries
- * Extracting information from tender drawings to allow quotations to be prepared and submitted
- * Maintaining and developing professional relationships with current clients

- * Liaising with customers/clients via phone and through the website

- * Liaise with Architects and house builders

The candidate:

- * Proven track record of estimating aluminium windows and doors

- * Experience using window and door order processing software such as Logikal

- * Have experience with dealing with Architects and house builders

- * Be able to work towards tight deadlines

- * Experience in the construction industry and understanding of construction tender drawing is essential

- * To be able to manage own workload

- * Proactive, confident and reliable

- * Excellent communication skills both written and verbal

If you are an experienced window and door estimator and would like to find out more information, please click 'apply' or contact Guy at Chase Taylor Recruitment and quote reference number MM3720
