

Anticoagulation Specialist Nurse

[Apply Now](#)

Company: NHS Greater Glasgow & Clyde

Location: United Kingdom

Category: healthcare-practitioners-and-technical

NHS Greater Glasgow and Clyde is one of the largest healthcare systems in the UK employing around 40,000 staff in a wide range of clinical and non-clinical professions and job roles. We deliver acute hospital, primary, community and mental health care services to a population of over 1.15 million and a wider population of 2.2 million when our regional and national services are included.

The shift pattern is Monday to Friday, 08.30 to 17.00 4 days & 08.30 -14.00 1 day.

Band 6- Anti-coagulant Nurse

Based NHS GGC (Citywide)

The Anticoagulant Nurse is responsible for carrying out Nurse-led Anticoagulant clinics within hospital outpatient settings, carrying out clinics within outreach centres and undertaking domiciliary visits within GG&C under the managerial direction from Team leaders and Lead Nurse with consultant haematologist support.

This particular role will be working for GCAS, primarily covering Inverclyde/Vale of Leven and Clyde areas with the possibility of having to cover Glasgow clinics to cover staff absence.

To take responsibility for nurse-led hospital based clinics and outreach clinics and to participate as an autonomous practitioner in hospital based clinics.

Clean Driving Licence with own car is essential.

Details on how to contact the Recruitment Service can be found within the Candidate Information Packs.

NHS Greater Glasgow and Clyde encourages applications from all sections of the community. We promote a culture of inclusion across the organisation and are proud of the diverse

workforce we have.

By signing the Armed Forces Covenant, NHSGGC has pledged its commitment to being a Forces Friendly Employer. We support applications from across the Armed Forces Community, recognising military skills, experience and qualifications during the recruitment and selection process.

For application portal/log-in issues, please contact in the first instance.
