

## Apprentice Water Hygiene Engineer

[Apply Now](#)

Company: Nijhuis Industries

Location: United Kingdom

Category: architecture-and-engineering

Nijhuis Saur Industries is currently looking for a new apprentice **to join our international team in the UK for the South region** . The program duration is **4 years** when you will be promoted to engineer. The ideal candidate must meet the following requirements:

Hold a Full UK driving license.

Have a basic plumbing qualification (although not essential).

Good writing & communication skills.

A team player.

Have the ability to work alone.

Excellent customer service.

Good IT skills.

Effective planning & decision-making skills.

Excellent time management.

Strong problem-solving skills.

### WHAT DO WE OFFER?

Company vehicle.

Company pension scheme

25 days annual leave

Salary between £15,000.00 - £18,000.00

**As an Apprentice, you will learn all aspects of water hygiene by assisting senior engineers in their day-to-day duties in all aspects of water hygiene & water treatment.**

You will also receive the opportunity to shadow our risk assessors to aid you in obtaining a greater understanding of the legislation and guidance. Hours of work are Monday to Friday 8.00am to 5.00pm, but early starts may be required, with a requirement to work overtime that will include some weekend work.

### **MORE INFORMATION**

Apply now and you might become part of our international team of #WaterChampions, where you can make a real impact in the world and help businesses reach their sustainability goal.

Please contact for more information.
