Unlock Your Potential with Our Apprenticeship Opportunities

Are you ready to embark on a rewarding journey that combines hands-on experience with valuable skills training? Look no further! Binnies is thrilled to offer a range of exciting apprenticeship opportunities designed to shape the next generation of experts in environmental, engineering and technical services.

Why Choose Our Apprenticeship Programmes?

Real-World Experience: Gain practical, on-the-job experience working alongside industry professionals. Our apprenticeships provide a unique chance to apply your knowledge in a real-world setting, preparing you for a successful career ahead.

Skills Development: Acquire essential skills and expertise through internal training programs to compliment your apprenticeship ensuring you develop a strong foundation in your chosen field.

Mentorship: Benefit from guidance and mentorship from experienced professionals. Our mentors are committed to your success, offering valuable insights and support throughout your apprenticeship journey.

Career Advancement: Our apprenticeship opportunities open doors to exciting career

paths within our company. We believe in recognising and promoting talent from within, providing you with excellent prospects for growth and advancement.

Networking Opportunities Build meaningful connections within your industry. Engage with a diverse and vibrant community of professionals, opening the door to valuable networking opportunities that can shape your future career.

Earn While You Learn Enjoy the advantage of earning a competitive salary while you learn. Our apprenticeship program offers financial stability, allowing you to focus on your education and training without worrying about financial constraints.

Professional Development: Access continuous professional development resources and workshops. Stay updated with the latest industry trends and innovations, enhancing your skills and staying ahead in a rapidly evolving job market.

Join us at Binnies and embark on a transformative apprenticeship experience that will set the stage for a successful and fulfilling career. We are passionate about nurturing talent and providing our apprentices with the tools they need to thrive.

Essential Requirements

You should possess and be able to demonstrate the following qualifications, skills and knowledge:

Desire to study a degree in Engineering

An interest in problem solving.

Strong mathematical skills and an ability to use spreadsheets.

Excellent written and verbal communication skills including report writing.

Self-motivated and effective team player.

Interest in water, environmental and sustainability matters.

Why join Binnies?

Would you like to work in a business where you feel empowered to grow? Where there is no place for criticism or discrimination? A place where people are mindful and respectful? If so, then Binnies is the place for you.

We have a strong 'ENGAGED' culture that runs through everything we do. Evolved over

100 years, we have a culture of caring, where our employee's wellbeing and work-life balance are priorities, in fact we have industry leading flexible and hybrid working arrangements. We pride ourselves on providing an inclusive working environment, where a diverse workforce is supported to grow and develop.

Binnies treat each and every employee as an individual and will provide all relevant training, development and support so that you may further your engineering career whilst studying for your degree.

We are a diverse and energetic team, and you will play a key role in contributing to our team's and companies' success. You will be a valued member of our highly experienced and widely respected team at Binnies.

What's more, you can work on exciting global projects regardless of where you are physically located. Whatever industries and technologies interest you, Binnies can get you there. You will also gain experience and expertise in all aspects of the UK Water Industry. You will be providing support to the team you are working within and will experience an authentic and 'hands on' year at Binnies. The role will be varied and will be mainly office based but may include some time on site. There will be the opportunity to provide input on jobs within other offices and there may be a need for some travel within the UK.

Benefits:

Competitive salary

Flexible working

Hybrid working

Flexible benefits e.g. buy annual leave, varying pension contributions, options for private healthcare
