We have an exciting opportunity to join a thriving Training Provider! The company is a Multi-Award Winning Apprenticeship Training Provider and continues to grow from strength to strength. As a result of this growth, they are looking to recruit a Skills Coach/Trainer in Housing. This is a great time to join this organisation as they can offer a genuine career path alongside a friendly and professional working environment. The position is full-time working from home, with occasional travel to the Head office in the North West of England. This would be a great role for an experienced Housing/Property Manager who is looking to change direction and up skill the next generation!

Typical duties of the Housing/Property Management Apprenticeship Trainer/Assessor will include:

Train and Coach new apprenticeship standards in Housing and Property Management up to level 4 through a combination of online delivery and coaching

Support learners with Functional Skills in Maths and English to level 2 where applicable.

Supporting learners in the workplace and guiding the learners to the End Point

Assessment

Providing information and guidance to the learner and employer about the Housing Programme

Working to specific quality and completion of target

Helping with the enrolment of learners- Complete all relevant paperwork using the electronic process to ensure a learner is signed up/achieves/leaves according to procedures

Conduct regular reviews of progress with both the learner and employer

Organise and maintain documentation on learners' progress.

Ensure all Health and Safety, Safeguarding procedures are adhered to.

Skills, experience, and qualifications required for the Trainer- Housing and Property Management

Vocational competence within Housing/Property Management

Hold a recognised Housing or Property Qualification such as CIH would be desirable

Ideally be Assessor qualified, A1, TAQA, CAVA, or D32, D33 or be prepared to work towards

Hold a recognised teaching qualification e.g. PTLLS or Award in Education and Training would be desirable

Experience in coaching and training employees

Have a passion for Training, Learning and Development

Experience in using online delivery platforms such as Microsoft Teams, Zoom, and Google classroom

This position is available immediately. For more information, please contact Pertemps on 0191 3000513.
