

Architectural Assistant

[Apply Now](#)

Company: Conrad Consulting Ltd

Location: Hertford

Category: other-general

Fantastic opportunity for ambitious Architectural Assistants - at both Part 1 and Part 2 levels - to join market leaders in the Healthcare sector - Hertford.

Join a well-established RIBA chartered Architecture practice in Hertford, known for their expertise in delivering complex Healthcare projects to a host of clients across the country. With over 50 years of experience, this practice sits firmly at the forefront of the industry and is seeking talented Architectural Assistants to become an important part of the successful development of their business.

As an Architectural Assistant with this firm, you will gain exposure to multi-million-pound design projects in both the NHS and private sector. You will play a role in creating innovative designs that meet the unique needs and challenges of each client.

Previous experience operating within the UK Architecture industry is essential - as such applications will not be considered from those who cannot demonstrate this!

The practice fully values the latest in design technology, including BIM, and requires Architectural Assistants with full proficiency in Revit.

Key Architectural Assistant Requirements:

RIBA qualified Part 1 or Part Architectural Assistant

Demonstrable UK industry experience - essential

Experience within UK Healthcare sector - highly desirable

Proficiency with Revit - essential

Excellent communication skills

Full UK driving licence

In return, the successful Architectural Assistants will receive a competitive salary, likely to be in the range of £25-£32k, plus benefits. You will be afforded all the support and guidance needed to fully develop your career within Architecture.

The practice can offer a desirable working environment with a close-knit team. Located in the centre of Hertford, the office is conveniently close to transport links, shops, gyms, and restaurants.

A fantastic work/life balance will also be on offer with genuine Hybrid working options!

To apply, send your CV and work examples to Joey Waller at Conrad Consulting or call (phone number removed) to discuss this opportunity confidentially.
