Area Sales Engineer

£50,000 - £60,000 + Bonus + Specialist Training + Vehicle + Home Based + Excellent

Company Benefits

Home Based (Commutable from: Derby, Birmingham, Nottingham, Peterborough, Stoke-On-Trent)

Are you from an electromechanical / sensors background, looking for a highly autonomous role with a leading technical supplier where you will play a pivotal role in managing the company's key client relationships?

This is a fantastic opportunity to join a rapidly growing specialist who offer full training in cutting edge technology and the chance to boost your earnings through a generous bonus scheme.

The company are well-established and highly reputable supplier of a range of electromechanical devices. Due to recent success, they are looking for a sales engineer to help grow the company further and contribute to their future plans of expansion.

This is field based role; you will be responsible for managing existing client relationships as well as identifying new potential customers across the North of the UK. Full specialist training on a range of equipment is provided.

This position would suit someone from an electromechanical / sensors background looking to join a market leader and maximise your earnings.

The Role:

Manage key client relationships as well as target new customers.

Field based role (covering the North of England and Scotland)

Bonus scheme.

The person:

Electromechanical / sensors background

Full UK Driving license

Looking for a highly autonomous role.

Reference Number: (phone number removed)

Key words: Area Sales manager, sales engineer, sales, territory sales, field based, mobile, b2b, engineering, electrical, mechanical, electromechanical, sensors, instrumentation, and data acquisition products, Derby, Birmingham, Nottingham, Peterborough, Stoke-On-Trent

Rise Technical Recruitment Ltd acts an employment agency for permanent roles and an employment business for temporary roles.

The salary advertised is the bracket available for this position. The actual salary paid will be dependent on your level of experience, qualifications and skill set. We are an equal opportunities employer and welcome applications from all suitable candidates.
