

Art Director

Apply Now

Company: RD Content

Location: London Area

Category: other-general

Are you a talented Art Director or Production Designer looking to take your career in the film industry to the next level? We are looking for a full-time Art Director / Production Designer to join our in-house London team. RD is a global creative production agency, with offices in London, Singapore, New York and Abu Dhabi. Based in our state-of-the-art film studios in London, the successful candidate will be empowered to build and lead an in-house Art Department from the ground up. From shooting award-winning campaigns for some of the world's biggest brands, to commissioning our own TV shows and feature films, you'll be working across a huge variety of projects. Take a look at the types of things we work on here: rdcontent.com, neverdarkstudio.com and our film studios here: rdstudios.uk. The successful candidate will play a pivotal role in bridging the gap between the Creative, Production and Camera departments, combining creativity and technical knowledge with pragmatism and problem solving to help turn vision into reality.

Desired Skills: A strong portfolio across a broad range of production types and filmmaking styles. 3+ years industry experience (in-house or freelance). Production and Set Design Prop Sourcing and Fabrication Technical Drawing

Creative vision: the ability to conceptualise and visualise the overall look of the film, including sets, locations, graphics, and props, aligning with the director's vision.

Project Management: the ability to manage budgets, schedules, and resources efficiently, ensuring that the visual elements are delivered on time and within budget.

Excellent communication skills, both written and verbal. Ability to thrive in a fast-paced, collaborative environment while juggling multiple projects and deadlines.

Salary: £35k-£50k DOE
