Company: The Oyster Partnership

Location: scotland

Category: other-general

With the new financial year approaching it's a great time to pick up something new.

You'll be working with a Local Authority in North East Scotland that is looking for an Asbestos Surveyor (maybe yourself) to assist with a backlog of surveys.

If you have experience completing asbestos surveys and have a P402 or a P405 qualification then let's have a conversation.

This is an initial 3-month rolling contract with the potential for extension (highly likely).

My client is looking to book interviews ASAP so don't hesitate to get in touch.

If this is of interest to you, or you know someone who might be a good fit – feel free to get in touch (you can find my details on this page).

We would like to attract talent from all corners of the Property world for this role. Our commitment is to an equitable recruitment process so feel free to apply in any way that suits you, via WhatsApp, video message, CV, the more creative the better.

I look forward to hearing from you
