Teaching Assistant - Aspiring Youth Criminal Justice Worker -Mental Health - Dorking

Would you like to work with young people who need support with their social, emotional mental health? Do you have aspirations to work on youth criminal justice? If so, then this role is not to be missed.

The School: Teaching Assistant - Aspiring Youth Criminal Justice Worker -Mental Health- Dorking

The school is based near Dorking and provides support for children aged 9-16 years who have a range of learning and behavioural needs due to social, emotional and mental health challenges. All students that attend the school have a designated Education Health Care Plan (EHCP) which details their specific needs in terms of the care and support they will have access to. The school provides a safe learning environment for children who suffer with high levels of anxiety which can result in a lack of focus and challenging behaviour.

The school also provides therapies such as occupational therapy, physiotherapy, music, speech and language therapies where these are part of the young person's EHCP. The curriculum team works closely with therapists to ensure the correct physical and emotional support is available at all times.

What is involved: Teaching Assistant - Aspiring Youth Criminal Justice Worker -Mental Health

Providing assistance and supervision for children's behaviour during the school day and supporting their learning and participation in class

Working with a class, a small group or individual learners, both inside and outside of the classroom

Encouraging the development of social skills and supporting students' individual needs

Helping to build confidence and motivation

Participating in team meetings and training programmes as an active member of a team

Maintaining progress records
What is required: Teaching Assistant - Aspiring Youth Criminal Justice Worker -Mental Health

An Undergraduate Degree, ideally in a relevant subject such as Psychology or Criminology

Knowledge and/or a keen interest and understanding of the range of different types of learning and behavioural needs

Good general education levels in English and Maths - A Levels are preferable

Good interpersonal and communication skill and a caring attitude
