Company: Staffed Ltd

Location: United Kingdom

Category: other-general

**Looking for Assembly Technician role? Join dynamic team and contribute to the success of metal manufacturing company.**

**If you have a passion for precision and quality in metal assembly, we want to hear from you!**

### **Job Description:**

**Overview:** As an Assembly Technician in our metal manufacturing company, you will play a crucial role in the production process, ensuring the efficient assembly of metal components. Your responsibilities will involve interpreting blueprints, utilising various tools and equipment, and contributing to the production of high-quality metal products.

### **Responsibilities:**

#### **1 . Assembly of Metal Components:**

Read and interpret engineering drawings and blueprints to assemble metal components accurately.

Use hand tools, power tools, and other specialised equipment to join, fasten, and assemble metal parts.

## 2 . **Quality Control:**

Inspect finished assemblies to ensure they meet quality standards and specifications.

Identify and address any defects or issues in the assembly process.

## 3 . **Safety Compliance:**

Adhere to all safety protocols and guidelines to maintain a safe working environment.

Properly use personal protective equipment (PPE) and report any safety concerns promptly.

## 4 . **Collaboration:**

Work closely with team members, including engineers and other technicians, to achieve production goals.

Communicate effectively to address any challenges or improvements in the assembly process.

## 5 . **Efficiency and Productivity:**

Strive to meet production targets while maintaining high-quality standards.

Identify and recommend process improvements to enhance efficiency.

## **Requirements:**

### 1 . **Experience:**

Previous experience in metal assembly or a related field is preferred.

Familiarity with various metalworking tools and equipment.

### 2 . **Technical Skills:**

Proficient in reading and interpreting engineering drawings and blueprints.

Ability to use hand tools, power tools, and measuring instruments accurately.

### 3 . **Attention to Detail:**

Strong attention to detail to ensure precise assembly of metal components.

Ability to identify and rectify quality issues.

#### 4 . **Communication:**

Good communication skills to collaborate effectively with team members and supervisors.

#### 5 . **Safety Conscious:**

Commitment to following safety protocols and guidelines.

#### **Working Hours:**

Full-time position.

Monday to Thursday: 7:00 am to 4:30 pm.

Friday: 7:00 am to 2:00 pm.

#### **Salary Range:**

Salary ranging from £22,000 to £24,000 annually, depending on experience and qualifications.

**Elevate your career with great business and become part of a team that values excellence and innovation!**
