[Apply Now](#)

Company: Next

Location: Leicester

Category: other-general

A unique opportunity has arisen to join our fantastic Home team as a Children's Bedroom Furniture, Cabinet and Dining Designer! We are looking for a trend led, creative Designer with a love of furniture.

### **About the Role:**

Experience of researching & identifying new & commercial trends & opportunities in furniture, specific to Children's furniture, children's lighting, dining and cabinetry

Supporting the creation of cohesive and coordinated design looks across the Next Home range.

Designing for all Next customer styles

Identifying opportunities for our furniture ranges and ensuring broad style choice in style that reflects our customer profiles.

Communicating ideas through beautiful mood boards and sketches/renders.

Creating technical specs and drawings to brief manufacturers

Go on amazing inspirational travel trips as well as product development trips with manufacturers

Work closely with buying and merchandising colleagues to build a range reflecting the style and price architecture of Next Home.

## About You:

Excellent presentation skills and experience presenting to stakeholders

Strong experience of working as a Furniture Designer.

Keen eye for identifying, communicating and executing emerging trends

Passion for design

Excellent CAD, Adobe and visualisation skills

Good communication skills

Excellent influencing & negotiating skills

Accomplished range building skills and experience of challenging and balancing newness and commercialism

Qualified to degree or equivalent
