Role:

We are currently seeking an experienced and dedicated Assistant Herd Manager to oversee the day-to-day operations of our cattle herd. The successful candidate will play a crucial role in ensuring the health, well-being, and productivity of our herd.

Key Responsibilities:

Supervise and coordinate all aspects of herd management, including feeding, breeding, health monitoring, and calving.

Implement and manage herd health protocols to ensure the well-being of the animals.

Lead a team of farmworkers in daily tasks, providing guidance and support.

Maintain accurate records related to the herd, including breeding and health information.

Collaborate with veterinarians and nutritionists to optimize herd performance.

Ensure compliance with safety, environmental, and regulatory standards.

The candidate:

Proven experience in herd management, preferably in a cattle farming environment.

Strong knowledge of cattle nutrition, breeding, and health practices.

Excellent leadership and communication skills.

Ability to work collaboratively with a team and independently when necessary.

Familiarity with safety, environmental, and regulatory standards in agriculture.

Previous experience in a managerial role on a cattle farm.

What We're Looking For:

A background in dairy farming.

Experience in AI and Foot Trimming.

Leadership qualities.

Communication skills.

A can-do attitude.

A passion for making things happen, every single day.

A team player who's ready to become part of our farm family.

Benefits:

A chance to live in beautiful Scotland.

Generous Salary £35k-£40k DOE

Accommodation is included.
