

Assistant Psychologist

[Apply Now](#)

Company: Elysium Healthcare

Location: Irchester

Category: life-physical-and-social-science

Are you looking for the next step in your career, in an environment where you can develop and specialise your skills? Then join Avonfield Neurological Centre as an Assistant Psychologist where you will have the opportunity to work with a dedicated team to make a real difference in lives of some of the most vulnerable people in society.

What you will be doing

You will be working with people over the age of 18 years who have an Acquired or Traumatic Brain Injury (ABI/TBI) or other neurological condition.

As an Assistant Psychologist you will have the opportunity to assist with assessments, formulations, and treatment to our service users, under the supervision of the Senior Psychologist. You will also assist in clinically related administration including conduct of audits, collection of statistics, development of audit and/or research projects, teaching, and project work.

At join Avonfield Neurological Centre you will have the chance to develop specialist skills through out your time with us. Your professional growth is important, which is why there are numerous career development opportunities to keep you learning and improving.

As an Assistant Psychologist you will be:

Contributing to psychological assessments and formulations

Facilitating psychological interventions on a 1:1 and/or group basis to service users, monitoring and reporting upon their effectiveness

Assisting in designing and delivering specialist training to others

Assisting with the delivery of reflective practice for staff

Maintaining clinical databases

Completing outcome measures

Writing reports for various audiences

Service evaluation and other research tasks including collecting, analysing, and reporting upon an array of statistics

Undertaking clinically relevant audits

To be successful in this role, you will have:

A minimum of an upper second-class honours degree in Psychology conferring eligibility for Graduate Membership of the British Psychological Society (BPS)

Experience of working as an Assistant Psychologist in a forensic and/or mental health setting in a similar role

Experience of maintaining office systems and undertaking administration tasks

Creative thinking, clinical efficacy, and a strong commitment to working with evidenced based models of therapeutic intervention

Strong organisation skills

Good interpersonal and communication skills

To meet professional practice expectations including the HCPC standards of conduct, performance and ethics, and the BPS code of ethics and conduct

Where you will be working:

Location, 290 Station Road, Knuston, Wellingborough, NN29 7EY

Avonfield Neurological Centre has been fully refurbished to provide support to people over the age of 18 years who have an Acquired or Traumatic Brain Injury (ABI/TBI) or other neurological condition.

What you will get:

Annual salary of £ 24,000

The equivalent of 33 days annual leave – plus your birthday off!

Subsidised meals

Free parking

Wellbeing support and activities to help you maintain a great work-life balance.

Career development and training to help you achieve your career goals.

Pension contribution to secure your future.

Life Assurance for added peace of mind.

Enhanced Maternity Package so you can truly enjoy this special time.

There is also a range of other benefits including retail discounts and special offers, car leasing without a credit check, holiday financing and much more.

About your next employer

You will be working for an established, stable and agile company with over 8,000 employees and a unique approach to the delivery of care. With a network of over 90 services across England and Wales covering Mental Health, Neurological, Learning Disabilities & Autism, Children & Education, there is opportunity for you to grow and move.

Elysium Healthcare is part of Ramsay Health Care with a global network that extends across 10 countries and employs over 86,000 people globally.

Elysium Healthcare follows safer recruitment of staff for all appointments. It is a requirement that all staff understand it is each person's individual responsibility and are committed to promoting and safeguarding the welfare of service users. Candidates will be subject to an Enhanced DBS disclosure.
