Company: Carrington West

Location: Ipswich

Category: business-and-financial-operations

Job Title: Quantity Surveyor

Location: Ipswich

Salary: £40,000-£55,000 per annum (+ £4,000 Car Allowance)

Are you a recent graduate with a passion for numbers, contracts, and the world of construction? If you're looking for an exciting opportunity to kick-start your career as a Quantity Surveyor, you've come to the right place.

About Us:

We are a well-established civil engineering and ground works company, with a strong reputation for excellence and innovation in the industry. As we continue to grow, we're eager to welcome a Graduate Quantity Surveyor to our team.

Key Responsibilities:

Work closely with experienced Quantity Surveyors to assist in the financial management of construction projects.

Collaborate with project teams to assess and evaluate contract terms and project specifications.

Assist in the preparation of cost estimates, budgets, and procurement plans.

Analyse and monitor project costs, including variations and subcontractor claims.

Contribute to cost value reconciliations (CVR) and financial reporting.
Participate in negotiations and contractual discussions with subcontractors.
Gain exposure to the full spectrum of quantity surveying responsibilities.

Qualifications and Skills:

A degree in Quantity Surveying, Construction Management, or a related field.
Strong analytical and numerical skills.
Excellent communication and interpersonal abilities.
Enthusiasm for learning and developing your career in Quantity Surveying.
A valid driver's license and access to your own vehicle.

What We Offer:

Additional car allowance of £4,000.
Opportunities for professional development and career advancement.
A supportive and collaborative work environment.
Engaging and diverse projects to enhance your skills and knowledge.
The chance to be part of a team making a significant impact in the construction industry.
If you're ready to embark on an exciting journey in Quantity Surveying, we encourage you to apply. Join us in shaping the future of construction and become a valuable member of our team.
