

Assistant Site Manager New Build Housing

[Apply Now](#)

Company: Impact Resourcing

Location: Bolton

Category: construction-and-extraction

Company Description

Our client is a construction company based in Greater Manchester that specializes in creating efficient homes with brighter rooms, bigger windows, higher ceilings, and truly open-plan living. Their homes are designed to keep bills low, provide high-quality specifications, and ensure the happiness of their residents.

Role Description

This is a full-time on-site role for an Assistant Site Manager at our new site location. The Assistant Site Manager will be responsible for overseeing and coordinating daily construction activities, assisting with project planning and scheduling, ensuring compliance with safety regulations, managing subcontractors, and maintaining quality standards. The Assistant Site Manager will work closely with the Site Manager to ensure smooth operations and successful project completion.

Qualifications

* Experience in construction project management and site supervision

* Knowledge of NHBC Standards, regulations, and safety standards

- * Strong organizational and problem-solving skills
- * Ability to effectively communicate and collaborate with various stakeholders
- * Proficiency in construction software and tools
- * Excellent time management and multitasking abilities
- * Attention to detail and ability to maintain high-quality standards
- * Relevant certifications or degrees in construction management or related field
- * Experience with green and sustainable building practices is a plus
