

Associate Dentist - Fixed Term

[Apply Now](#)

Company: Bupa Dental Care

Location: Bangor

Category: healthcare-practitioners-and-technical

We're looking for a Fixed-Term to work with us at our practice in Bangor, Northern Ireland.

What can we offer?

Up to 4 days per week (Monday, Tuesday, Thursday, Friday)

Flexible working hours - we understand that a work/life balance is important!

Well-maintained and managed patient list

Long-standing dentists in practice with a wealth of experience and knowledge

Great earning potential and the opportunity to be a part of our Bupa family

Contract available from 01/04/24 until 29/11/24

About Bupa Dental Care Bangor, Springhill

Our 8 surgery practice is part of a health village for the local community. The practice is situated alongside a doctors, chemist and physiotherapist suite. We offer a modern working environment, fully computerised, Dentally software, digital x-ray and Apex Locator.

Dedicated on-site Practice Manager and Coordinator

Close to local amenities including supermarkets, coffee shops and retail (lots to do on a lunch break and after work!)

Free on-site parking

Just 20 minutes from Belfast, only 2 minutes from the dual carriageway

Experienced nursing team to work alongside

Our practice offers a payment plan that allows patients to spread the cost of their routine preventive dentistry throughout the year. This enables our patients to budget for their dental care and encourages regular attendance helping to maintain their oral health. For you it means a more stable income from a loyal patient base with absolutely no fees or admin costs - you get paid for the work you do in line with private pricing.

Being part of Bupa also means the unique opportunity to provide dental treatment to our insurance customers, improving your revenue streams and growing any private work you wish to undertake.

Work with Bupa, Thrive at Bupa

In-house CPD events

Career development support including sponsored education and established career pathways, with clinical and non-clinical roles to further develop

Large clinical support network

The latest equipment and technology
