Associate Dentist

We are looking for an associate dentist to join our patient-focused, highly experienced and supportive practice team at Milnthorpe

We offer a competitive package and all the support you need to provide outstanding care to patients and grow the career you want.

Fantastic earnings potential from a private and NHS mix that is right for you

50% revenue split on all private work

With a UDA allocation, you will enjoy an NHS pension as well as access to NHS sick pay and paid parental leave

Fantastic earnings potential from a private and NHS mix that is right for you, or you can focus entirely on private treatments where we have significant patient demand

We have surgery space available on either a full-time or part-time basis and we will work with you to agree on the hours you wish to work

Access to the largest clinical support network in UK dentistry to support your well-being, develop your career and grow your income

If you are a newly qualified Dentist in the UK and are you wondering what your options are following DFT / Dental Foundation Training (Vocational training in Scotland) or DCT / Dental Core Training, we are experienced in supporting Dentists to develop successful careers

At Milnthorpe practice, you will also benefit from:

A welcoming 3 surgery practice with access to the latest equipment and materials

Support from an experienced team of local clinicians with specialisms in implants and cosmetic dentistry

Well-led practice with a friendly and supportive team, including fully-qualified and experienced dental nurses

Access to a Hygienist

Demand for private treatments including denture excellence, whitening, and cosmetic dentistry

Opportunity to deliver affordable private treatments under our new my options scheme

On-street parking is available

We are located on the doorstep of Kendal and Lancaster with less than a 20-minute commute to the practice

Practice is in a beautiful area of Milnthorpe with easy access to the great outdoors and the lakes district

State-of-the-art air filtration and a chain of protective measures to ensure colleagues and patients are kept safe

The {my}dentist Academy offers discounted training and development opportunities for all clinicians

We have invested in the largest clinical support network in UK dentistry so you can get access to the advice and support you need

If you are interested in this position, please click apply.
