### What do you get in return?

By joining Portman|Dentex, you'll be part of a 360+ practice business, which is predominantly focused on **private dentistry**. This means you get access to **large network of like-minded clinicians**, as well as being **surrounded by skilled practice teams** who'll partner with you to deliver exceptional patient care. The support doesn't end there though, we also offer:

**Full clinical freedom** – meaning you can use your preferred equipment, materials, labs, and referral pathways to deliver the best level of care to your patients. We'll champion you as a self-employed clinician, and ensure you always retain your unique identity

**Access to first class marketing, branding, and business support** – enabling you to maximise your diary utilisation

**Mentoring and CPD** – we can connect you with clinical mentors to guide and advise you, as well as running regular CPD events with some of our best-in-class dentists and specialists

**Support from Clinical Leads** – we have a team of practising clinicians who split their week between delivering outstanding care to their patients, and acting as a key link between our clinicians and the wider business.
