

Associate Landscape Architect

[Apply Now](#)

Company: Mattinson Partnership

Location: London Area

Category: other-general

We are looking for an Associate Landscape Architect to join a world-leading design, engineering, and project management organization. They are currently seeking to expand their London based team of specialists to include an innovative, Associate Landscape Architect. You would have the chance to be involved in working on a range of public realm and landscape design projects both within the UK and overseas. As an Associate Landscape Architect, you would be encouraged to show flair and originality in a working environment that is perfect for skill development.

Responsibilities: As an Associate Landscape Architect you will:

- Assist with taking projects from site feasibility stage through to design and contract implementation
- Perform as part of a team to meet project deadlines
- Assist with graphics design, both digital and hand
- Oversee smaller landscape design projects both in the UK and internationally
- Deliver technical consultancy to clients
- Manage project teams depending on your experience

Qualifications: An Associate Landscape Architect will have:

- A relevant architecture degree with proven consultancy experience
- Competency using presentational skills including AUTOCAD, Sketch-up and Adobe Suite (In Design and Photoshop)
- Direct design implementation and project management experience
- Strong interest and proven skills in landscape design and project management of high-profile landscape projects in the UK and overseas
- Sound technical ability and demonstrable proficiency using AUTOCAD, SketchUp and Adobe Creative Suite package

The firm offers the right candidate fantastic design development opportunities while working in a stimulating and supportive office environment. For further information on this or any other related positions do not hesitate to me on our head office contact number 02079602558.
