Company: Addleshaw Goddard

Location: United Kingdom

Category: computer-and-mathematical

### THE COMMERCIAL TEAM

Our Commercial team is a national group, with teams across each AG office working together on national and cross border transactions. The Leeds team is ranked in Tier 1 for IT with an enviable client base across private and public sector clients. In respect of digital transformation projects, the team handles some of the largest, most complex deals in this market.

You can expect to be involved in a range of work types for private sector and public sector clients including tech transformations, cloud and SaaS arrangements, IT outsourcing, business process outsourcing, facilities management outsourcing, logistics, IT licences, & commercial contracts.

This is a high performing, cohesive and busy team with excellent prospects for career development, and secondments, if you want them.

### PURPOSE OF THE ROLE

We are looking for a strong tech and commercial lawyer with experience of at least one of the following sectors: retail & consumer, financial services, advanced manufacturing, transport, and health. You will take responsibility as an advisor on a range matters, in addition to working as part of a team.

You will manage your own workload and have good project management skills as well as supporting as part of a team on larger projects, handling a spread of tech and commercial work. Your focus will be to build relationships with clients and to handle all of their commercial needs.

As an Associate in the team you will play a key part in shaping and driving the development of more junior team members and there will be plenty of opportunity for you to take on additional marketing and team responsibility and advance your career.

### **MORE ABOUT YOU**

To be able to advise at the level required in this role, we expect that you will have gained a minimum of 2 years' post qualification experience or 2 years post qualification experience in a comparable practice or in-house.

You must be a qualified lawyer with some experience of IT, technology and outsourcing matters, with exposure to private sector and/or public sector clients.

### **OUR APPROACH: A GREAT WORKING ENVIRONMENT**

At AG, we are dedicated to creating an inclusive workplace where everyone is treated with fairness and respect, regardless of their gender, ethnicity, disability, sexual orientation, or any other protected characteristic. We actively encourage applications from individuals with diverse backgrounds and communities, particularly those from underrepresented demographics, as we strive to have a diverse team.

To ensure our recruitment practices are inclusive, we are open to making reasonable adjustments during the application or interview process to support you in showcasing your abilities to the fullest.

We are committed to providing a positive experience for all our employees, and our focus on financial, lifestyle, and wellbeing benefits goes beyond the traditional nine-to-five workday.

### **WHAT YOU CAN EXPECT WHEN YOU JOIN ADDLESHAW GODDARD:**

An attractive and competitive salary package.

A flexible and welcoming work environment that includes hybrid working options.

A supportive team culture where everyone looks out for each other, from top to bottom.

Access to award-winning state-of-the-art technology and innovation.

Opportunities to work on large and high-profile national and cross-border transactions.

Extensive support, training, and development opportunities for business growth.

We are excited to welcome you to our team and provide you with a fulfilling and rewarding career at Addleshaw Goddard.
