About us -

Are you looking to join a graduate programme with one of the **Big Four** accounting firms?

We will empower you to learn, grow, thrive and do work that matters.

If you join our values-led firm, we **empower** you to build the career you want - and **support** you to **be your best** and make your mark.

Join us to benefit from **structured development** and **funded professional qualifications** whilst you work alongside some of the brightest minds on emerging practices and technologies.

The role -

We audit some of the **world's biggest companies**, who rely on us to provide independent insight, challenge and high-quality audit expertise.

Audit is about examining organisations and ensuring **published accounts provide a 'true and fair' view of their financial position.** The work we do makes a meaningful difference to businesses and communities. It is critical to the everyday working of society, helps build trust in the economy and supports companies as they grow.

From the start, you'll be working on complex audit engagements, which could include **big retailers**, **UK banks** and **multinational organisations** putting you at the heart of the world of business.

You'll finish our graduate programme with professional **accredited qualifications**, valuable technical **skills**, a broad commercial understanding and in-depth knowledge of one or more industry sectors.

There is a real sense of team across our Audit department. We care about each other's wellbeing and welcome different perspectives and ideas that can contribute to our vision - of being one of the **world's most trusted** professional services firms, delivering the highest quality audits.

Requirements

Those who are **curious**, **resilient** and **agile** will **thrive** when working alongside some of the brightest minds in Audit.

Our people are **persistent**, **resilient**, and **inquisitive** – questioning assumptions and providing deep insights to deliver quality results.

Everyone in Audit brings **unique perspective** and we want to ensure that you have the best opportunity to demonstrate **your potential**.

We want to discover your individual strengths and attributes to help us to know whether you'll enjoy working here and how you'll thrive.

That's why we operate an open access policy and an application process that will assess **both** your qualifications and your qualities.

Generally, you'll be expected to demonstrate the following grades (*or equivalents), to show that you're able to successfully study for professional qualifications.

1 . GCSE Maths Grade 5 or B*

- 2 . GCSE English Language Grade 5 or B*
- 3 . 2:1 undergraduate degree in any discipline.

If you are a few grades or points short, we would still encourage you to apply your application will be reviewed together with your performance in our assessments.
