

Audit Quality Manager/ Senior Manager

[Apply Now](#)

Company: Warner Scott Recruitment

Location: London

Category: other-general

Job description My client is a top 10 accountancy firm, they are looking for either a Manager or Senior Manager to join their Audit Quality practice. This is an exciting opportunity for anyone looking to work in a more technical mid office role, that offers better work life balance and faster progression. Responsibilities: * Perform 'live' reviews of audits at every stage from planning through to completion and reporting, identifying ways to improve audit quality * Determine areas of focus for reviews, liaising with the Elite Squad Director to agree approach * Proactively discuss audit quality matters with teams and help develop strategies to deliver high audit quality audits * Challenge the execution of audit procedures and documentation of audit work performed * Support and coach teams to implement identified improvements in audit quality * Identify issues and matters where firm-wide action may be required, in conjunction with the Director of the Elite Squad * Contribute to the development of training and guidance on performing high quality audits * Provide clear and practical solutions to ad hoc audit quality queries You'll be someone: * Excellent practical and technical auditing experience particularly on more complex audits * Good working knowledge of IFRS * Ability and willingness to assertively challenge and influence more senior individuals and peers * Ability to think independently and creatively to identify ways to improve audit quality * Strong written and oral communication skills * Desirable: Experience of performing audit quality reviews (pre or post audit opinion) You'll be able to be yourself; we'll recognise and value you for who you are and celebrate and reward your contributions to our business.
