Are you an enthusiastic and experienced MSK Physiotherapist looking for your next role?

Pulse is now recruiting for a Band 6 Physiotherapist to join the specialist MSK team with a well-established NHS client based in Runcorn, Cheshire. The role is available for the successful physiotherapist to start ASAP, offering full-time hours per week with the placement due to end on 07.01.24.

The postholder will provide expert assessment, diagnosis, and treatment of a wide range of musculoskeletal conditions and develop and implement individualized treatment plans, utilizing evidence-based techniques and interventions. The successful candidate will monitor patient progress, adjust treatment plans as needed, and provide ongoing education and advice to promote self-management. Applying therapists must have previous MSK experience to be considered for this role.

Your duties will include:

Management of clients experiencing chronic pain

Assessment and treatment of own caseload – MSK clients

Working within the fracture clinic

Manage own caseload of patients effectively and efficiently

Form treatment plans and keep accurate, comprehensive and up to date medical records

Being professionally and legally responsible for own work

To be considered for this role applying physiotherapists must have:

A relevant degree/qualification in Physiotherapy

HCPC Registration as a Physiotherapist

Previous experience within an NHS MSK setting

Excellent time management skills

An empathetic and motivational personality

What next?

If you feel you are suited to this role, please apply today or contact our team for more information.

Benefits of locum work:

Daily payroll

Variety of work opportunities in NHS and private sectors

Expand your skill set more quickly

Flexible hours of work
