About us

Pules Mental Health, a leading recruitment agency specializing in mental health services, is currently seeking a highly skilled and compassionate Pediatric Physiotherapist with Musculoskeletal (MSK) experience to join our team. We are dedicated to connecting talented healthcare professionals with organizations that prioritize mental health and well-being.

Position Overview:

As a Pediatric Physiotherapist with MSK Experience, you will play a vital role in providing exceptional care to children and adolescents, addressing musculoskeletal challenges that may impact their overall well-being. You will collaborate with healthcare teams to assess, plan, and implement physiotherapy interventions while fostering a supportive and nurturing environment for young patients.

Key Responsibilities:

Conduct comprehensive assessments of pediatric patients with musculoskeletal conditions.

Develop and implement individualized treatment plans to address physical challenges and improve overall function.

Collaborate with multidisciplinary teams, including physicians, occupational therapists, and other healthcare professionals, to ensure comprehensive care.

Educate and involve parents/caregivers in the rehabilitation process, providing guidance and support.

Keep accurate and up-to-date patient records, documenting progress and adjustments to treatment plans.

Requirements

Master's degree in Physiotherapy from an accredited institution.

Valid state license to practice as a Pediatric Physiotherapist.

Specialization or experience in Musculoskeletal (MSK) physiotherapy for pediatric patients.
(minimum 2 years)

Strong communication and interpersonal skills.

Ability to work collaboratively within a multidisciplinary healthcare team.

Compassionate and empathetic approach to patient care.

How to Apply:

If you are a dedicated Pediatric Physiotherapist with MSK experience looking to make a meaningful impact on the mental health and well-being of children and adolescents, we invite you to submit your resume below.
