

Band 7/8a

[Apply Now](#)

Company: Pulse

Location: United Kingdom

Category: production

Pulse are currently seeking a qualified and experienced band 7/8a Clinical Psychologist to be welcomed into our client's Adult mental health team, within a fantastic private service based in Newcastle. This position will be available for the appointed Clinical Psychologist to start as soon as possible, working full-time hours for an ongoing period on a permanent basis.

The Clinical Psychologist will undertake assessments, formulate care plans, and deliver therapeutic interventions for adults with complex mental health needs. The post holder will be responsible for conducting comprehensive psychological assessments, providing evidence-based interventions, and offering therapeutic support to adults facing a range of mental health issues. Your expertise and dedication will play a pivotal role in helping our adult clients navigate their mental health challenges and improve their overall well-being.

Rates:£45,000 – £60,000 per annum

To be considered for this role, you must:

Hold a doctorate in Clinical Psychology

Be HCPC registered

Have a proven track record in adult mental health

Be analytical and show good attention to detail

What next?

If you are a patient and empathetic Psychologist with a keen interest in helping adults with mental health conditions, please apply today or contact our team for more information.

Benefits of locum work:

Daily payroll

Variety of work opportunities in NHS and private sectors

Expand your skill set more quickly

Flexible hours of work

Why Pulse?

Online interviews via HireVue
