

Bank Dentist Out of Hours

[Apply Now](#)

Company: Rodericks Dental

Location: United Kingdom

Category: healthcare-practitioners-and-technical

Role Description

As an Out of Hours Dentist, you will be receiving calls that are triaged from 111 and mastercall. These patients are deemed to have severe pain or swellings or trauma and therefore require urgent care. The treatments you will provide often involve extractions, dressings, achieving drainage or provision of antibiotics. No follow up care is provided however we are able to refer patients if appropriate. The clinics below run on weekday evenings and during the day on Saturday and Sunday. On bank holidays, these clinics will run on the hours of the weekend.
