Banking & Finance Solicitor

[Apply Now](#)

Company: Trethowans

Location: Greater Southampton Area

Category: other-general

As part of our growth plans, we are looking for an experienced Banking & Finance Solicitor to join our specialist Banking & Finance Team, based in either our Southampton or Bournemouth office. This is an exciting opportunity for a 2+ PQE lawyer looking for their next challenge. Our existing team offers extensive expertise in banking and finance, acting for major financial institutions, including a number of household names. This role offers the opportunity for immediate exposure to high quality work from day one and provides excellent opportunities for career progression. The ideal candidate will have gained experience at either a city or leading regional practice, and take an active role in marketing and business development. The successful candidate will have a network of existing relationships, possess a strong reputation in the area together with sound technical and procedural knowledge. Candidates will also need to have strong organisation skills and be dynamic in their approach.
