Job Title: Multiskilled General Builder with Stone Masonry Experience

Location: Malton, North Yorkshire

DAY RATE £190-£200 (negotiable)

THE COMPANY CAN ALSO OFFER YOU A PERMANENT JOB IF YOU ARE INTERESTED.

About Us: Our client is a reputable construction company specialising in delivering high-quality residential and commercial projects. We take pride in our commitment to craftsmanship, attention to detail, and client satisfaction. Currently, we are seeking a skilled Multiskilled General Builder with stone masonry expertise to join our team.

Job Overview: We are looking for an experienced Multiskilled General Builder who excels in working with stone masonry, particularly limestone. The successful candidate will play a pivotal role in the construction of a new build garage and a family room extension, contributing to the aesthetic and structural aspects of these projects. Ideally, the candidate would also have experience in roofing and plastering, in addition to bricklaying/stone masonry.

Key Responsibilities:

Stone Masonry: Expertly work with limestone, including cutting, shaping, and setting stone to meet project requirements.

Bricklaying: Perform bricklaying tasks as necessary, ensuring precision and quality.

Construction: Participate in the construction of a new build garage and family room

extension from foundation to finish.

Multiskilled Abilities: Ideally, possess skills in roofing and plastering to contribute to various aspects of construction.

Material Handling: Safely handle and transport construction materials, tools, and equipment.

Quality Assurance: Maintain high standards of workmanship, ensuring all work meets project specifications.

Collaboration: Work closely with other team members, including carpenters, electricians, and plumbers, to ensure seamless project execution.

Safety: Adhere to all safety protocols and regulations, creating a safe working environment.

Qualifications:

Proven experience as a Multiskilled General Builder with stone masonry experience, particularly in working with limestone.

Strong knowledge of construction techniques, tools, and materials.

Ability to read and interpret construction plans and drawings.

Excellent attention to detail and precision.

Physical fitness and stamina for manual labour.

Reliable and punctual with a strong work ethic.

Safety-conscious and committed to maintaining a safe work environment.

Ideally experienced in roofing and plastering, in addition to bricklaying/stone masonry.
