Company: HAYS

Location: United Kingdom

Category: other-general

Electrician required for long term interim role near Lincoln.

Hays are looking for a qualified electrician who is able to work at a public sector high security site near Lincoln.

The role will be working within the maintenance department, concentrating on reactive and planned projects within the establishment. Depending on the size of the work, you may find yourself working independently or working with a team.

The client provides tools and uniforms and will also provide training on keys and radios. Hours of work are Monday-Friday, 39 hours per week.

This role is a fundamental part of the organisation and requires you to have good communication skills, be able to follow strict procedures and have initiative to notify senior staff if there are any problems. You are an experienced Electrician, used to doing planned and re-active maintenance on electrical systems within large buildings, particularly 3 phase.

It is essential you are qualified to level 2 or above in CITY AND GUILDS or equivalent. You MUST have 17th or 18th Edition and 2391 Electrical Inspection and Testing. You will need to provide copies of all qualifications and certificates. It is essential you are qualified to level 2 or above in CITY AND GUILDS or equivalent. You MUST have 17th or 18th Edition and 2391 Electrical Inspection and Testing. You will need to provide copies of all qualifications and

certificates.

You will be required to have an enhanced security clearance carried out by the organisation to ensure you are able to work on site. The security clearance will require you to have a Photo ID such as a valid passport or photo card driving licence. This is a temporary role that will be ongoing with the potential for permanent work.

This job is to start as soon as security clearance has been obtained.
