

## Building Surveyor[989263]

[Apply Now](#)

Company: FR Consultants

Location: United Kingdom

Category: other-general

We are looking for an experienced Building Surveyor to provide consultancy services in relation to property and construction works, with a focus on the technical aspect of service delivery.

### **Responsibilities:**

To prepare tender documentation in respect of façade remediations schemes to mid and high rise buildings.

Undertake detailed analysis of exiting building facades and provide technical reports in accordance with current codes of practice and guidance.

Provide advice and guidance on design principles and material specifications in relation to the external envelope of multi storey buildings.

Negotiate prices and costs in relation to remediation works.

Act as client representative, employers agent, contract administrator, etc on façade remediation works.

### **Qualifications and Experience:**

Minimum HNC/HND in Building Technology, Surveying or equivalent in a relevant subject.

Minimum 5years post qualification experience in a similar role.

Current full driving licence.

Either currently or working towards full membership of a relevant professional organisation such as the Royal Institution of Chartered Surveyors, Chartered Institute of Building, or similar.

A current and in date member of the Construction Skills Certification Scheme, or willingness to achieve membership.

### **Salary and Benefits:**

Contributory pension scheme

A flexible benefits programme, including the option to buy additional holidays, childcare vouchers and private health care

Regular training and career development

Access to mental health support

Professional financial advice

Discounted gym memberships

Hybrid Working Pattern (Home/Office)

Projects: Nationwide
