Category: other-general

Job Title

Building Surveyor

Job Description Summary

With extensive commercial expertise and a deep understanding of the property life-cycle requirements of investors, occupiers, lenders and developers, our building consultancy team provides specialist advice across the full spectrum of building surveying services.

We are currently looking for an experienced Building Surveyors at all levels (Assistant to Senior Surveyor) to join our growing UK Building Consultancy team providing a spectrum of commercial consultancy advice across a diverse client base of predominantly private sector investor clients.

Job Description

We do not pigeonhole our Building Surveyors into working in particular service lines; Our Building Surveying team were attracted to the profession because of the diverse and varied work they do, and they do the work that interests them. That said, the successful candidate will be fully engaged in all aspects of Building Surveying, from inception and negotiating scope of services with Clients, to carrying out the required professional services and delivering the project.

Core responsibilities will include:

- Due diligence

Dilapidations and exit strategy

Construction monitoring

Contract administration

Planned preventative maintenance

Party walls (previous experience not essential)

Fire insurance cost assessments

Ideally you will be newly chartered with some experience across both professional and project based work. This is a fantastic opportunity to join a forward thinking, dynamic team who are at the forefront of the industry. We would also like to speak with experienced non qualified surveyors who are looking to take their next step by joining a diverse and collaborative team. We like to hire personalities- we are a team that get on well and have fun while working, we enjoy what we do and socialise as well as work together.

You will have the opportunity to work across a diverse, market leading client base within a team of industry leading professionals who will assist in the significant development of your career.

Cushman & Wakefield is committed to equity in employment and our goal is to have a diverse, inclusive, and barrier-free workplace. If you are a person with a disability and need the job posting in an alternative format or any other accessible accommodations during the hiring process, please email your request to. Please refer to the job title and job location when you contact us.
