Are you a skilled and experienced PSV Technician / Bus Mechanic / HGV Fitter with a passion for keeping the wheels of public transportation turning? If so, we want to hear from you! We are currently seeking a dedicated Bus Mechanic to join our client and play a crucial role in maintaining the reliability and safety of their national fleet of buses.

PSV Technician / Bus Mechanic / HGV Fitter Key Responsibilities:

Conduct routine maintenance and inspections on buses to ensure they meet safety and performance standards.

Diagnose and repair mechanical, electrical, and hydraulic issues.

Perform scheduled servicing and preventive maintenance tasks.

Collaborate with the maintenance team to address any arising issues promptly.

Keep accurate records of maintenance activities and report any major faults or defects.

PSV Technician / Bus Mechanic / HGV Fitter Qualifications and Skills:

Proven experience as a mechanic, preferably with a focus on buses or heavy-duty vehicles.

Relevant technical qualifications (NVQ, City & Guilds, or equivalent).

Strong diagnostic and problem-solving skills.

Ability to work independently and as part of a team.

Good communication skills and the ability to explain technical issues to non-technical staff.

PSV Technician / Bus Mechanic / HGV Fitter Benefits:

Competitive salary

Opportunities for ongoing training and professional development.

Pension scheme.

Employee assistance program.

A positive and inclusive working environment.

How to Apply for PSV Technician / Bus Mechanic / HGV Fitter Role:

If you are ready to take on a rewarding role as a PSV Technician / Bus Mechanic / HGV Fitter, please apply now, or call Niki on (phone number removed)
