CAD Technician (Solidworks)

Glasgow, Scotland (Commutable from Renfrew, Paisley, Johnstone, Clydebank)

£28,000 - £32,000 + Career Progression + Extra Training + Excellent Company Benefits

Are you a CAD Technician looking to further your career in the manufacturing industry, working for a well-established and successful business who will give you excellent professional and skill development opportunities?

On offer is the opportunity for a CAD Technician to join a thriving business where you will work on the next generation of products whilst receiving plenty of opportunities to progress further.

This well-established manufacturing business has been operating in the automotive industry for 20+ years and are now looking to expand their team with an ambitious and driven individual.

In this role you will work in a skilled design team providing first class SolidWorks drawings for new and existing projects. There will be opportunities to progress further, as well as plenty of on-the-job training available.

This role is suitable for a CAD Technician from a manufacturing background looking to use their skills to bring the next generation of products into fruition.

The Role

CAD Technician

£28,000 - £32,000 + Healthcare + Death in Service

38 hours/week 08:00 - 16:30

Plenty of opportunities for extra training and progression

SolidWorks experience

Manufacturing background Technician, vehicle, auto, sheet, metal, fab, manufacturing, Aluminium, mechanical, electronic, engineer, production, product, design, technician, CAD, Solidworks, Inventor, New, development, Glasgow, Scotland, Renfrew, Paisley, Johnstone, Clydebank

Reference Number: BBBH(phone number removed)

To apply for this role or to be considered for further roles, please click [Apply Now](#) or contact Matilda Hocknell at Rise Technical Recruitment.

Rise Technical Recruitment Ltd acts as an employment agency for permanent roles and an employment business for temporary roles.

The salary paid will be dependent on your level of experience, qualifications and skill set. We are an equal opportunities employer and welcome applications from all suitable candidates.
