Company: Four Seasons Health Care

Location: Consett

Category: other-general

We are currently recruiting for a Care Assistant and experience isn't essential. If you would like to work in health and social care and deliver the support and care our residents require, this role is perfect for you.

As one of the largest healthcare providers in the UK it's important to us to couple great care with meaningful and enjoyable experiences.

We offer you a great range of benefits, which include:

Competitive salary

Happy Hub - discounts across shopping, eating out, going out and holidays suited to your lifestyle

Various shifts available

Free meals

Access to excellent training

Career development opportunities

Free onsite parking

Free uniform

NEST work place pension contributions

Long service awards

We believe in helping our residents to live their lives as independently as possible and support them in reaching their potential, through both practical and emotional support as well as having a positive impact on their lives.

We see it as our mission to ensure that everyone in our care are supported and look forward to every day with us, and their well-being is maintained through enjoying the simple but essential pleasures of good food and company in a warm and homely environment.

As a Care Assistant you will be:

Delivering quality personal care to each of our residents

Supporting them with daily activities such as washing, dressing, eating and maintaining personal hygiene

Understanding our resident's communication needs and adapting your communication to each individual, e.g. sounds, tones, body language

Providing emotional support to individuals and their families

Working with significant people in our resident's life, such as friends and family, by giving them confidence and reassurance and involving them in our resident's care

To succeed you will be:

A team player who engages well with others

Strong communicator and influencer

Energetic and hard-working

Flexible and adaptable to change

Passionate about offering superior services and want to make a difference

A glass half full person, with a sense of humour and a positive outlook

If you possess these qualities, or have worked in a retail, supermarket, warehouse or other customer facing environments then no experience of working as a Care Assistant is necessary.

We provide you with excellent learning, development and support opportunities, to equip you with the knowledge and skills to make a real difference in the role.
